Subject: Update on Canyon Disposition Initiative Comment Responses

Dear Mr. Bohnee:

The U.S. Environmental Protection Agency (EPA) would like to thank you for your comments on the proposed plan for the remediation of Hanford's 221-U Facility, also known as the U Plant Canyon Disposition Initiative. We are continuing to evaluate your comments and are committed to working with the Nez Perce on U Plant Area cleanup. Your specific comments will be addressed in detail in the responsiveness summary attached to the Record of Decision. We will mail you a copy of the responsiveness summary in July when the Record of Decision is finalized.

We appreciate your interest in the 221-U Facility project. If you have any questions, please contact me at (509) 376-8665.

Sincerely,
